Sir:

In response to the Office Action dated June 10, 2011, Applicants submit the following amendments and remarks.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that are otherwise provided for in the documents accompanying this paper. However, if any additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned, and any fees required therefore (including fees for net addition of claims) are authorized in the accompanying transmittal document. Authorization to charge any other fees related to the present application that are not otherwise provided for likewise is made in the accompanying transmittal document.
